Terms of Reference

The remit and responsibilities of the Committee for 2018/19 are set out in its Terms of Reference (Appendix1).

The Committee reviewed its Terms of Reference at the first meeting of the year to ensure it carried out its duties as per the requirements of Post 16 Audit Code of Practice and the College's respective Financial Memorandum.

Schedule of Work

The work programme of the committee shows how it fulfilled its remit. See Appendix 2.

Appointment of Auditors

Mazars LLP were appointed as the external audit provider for 2018/19. Mazars were appointed on a three year contract with 2018/19 being the first year of operation.

The College's internal audit service throughout the year was ICCA Education, Training and Skills and were appointed for a period three years, starting from 1 August 2017. This contract is now in its second year of operation.

Internal Audit Service

The Board, on an annual basis approve the Internal Audit Plan. The work undertaken during 2018/19 was in accordance with the letter of engagement and Annual Internal Audit Plan.

Internal Audits Undertaken in 2018/19 and Internal Audit Opinion

The objective of the Internal audit service is to give the Committee a formal opinion as to the adequacy of the internal controls, for the systems audited during the period of audit. This opinion will support the Committee in giving its opinion to the Board, upon which the Board may base its judgement as to whether it is carrying out its statutory duties.

ICCA successfully delivered the Audit Plan and regularly reported back to the Audit Committee on progress. They have produced a 2018/19 Annual Report to be presented to the Audit Committee on 4 December 2019. The Internal Audit Annual Report outlines that ICCA completed eight internal audits during the year. The audits covered a range of systems, business areas and systems of Internal control. As a result of this work four 'substantial assurance' opinions and three 'reasonable assurance' opinions were issued. No 'limited assurance' opinions were issued, although one 'high priority' recommendation was raised within the 'ESFA Funding Audit' report.

One advisory review was carried out during the year, 'Support Cost Benchmarking', which did not give rise to any recommendations.

The Internal Audit Annual Report overall opinion is:

“Based on the work undertaken during the year, and the implementation by management of previous internal audit recommendations, we can provide the Audit Committee and Corporation with **Reasonable Assurance** that Oldham College’s governance, risk management, and systems of internal control were operating adequately and effectively, and that there were no instances where any breakdown of control resulted in a material discrepancy.

In our opinion, the College has adequate and effective governance, risk management, and systems of internal control in place to manage the achievement of its objectives and securing economy, efficiency and effectiveness.

No significant control issues were identified in 2018/19 as a result of our work undertaken.”

The internal auditors based their opinions for these areas as follows:

Corporate Governance:

Based solely on the audits completed by ICCA in 2018/19, no significant governance issues were identified.

Risk Management:

Based on our risk-based audit coverage during the year the findings indicate that the College’s risk management framework has continued to operate adequately and effectively.

The following risks identified on the College risk register for 2018/19 formed part of ICCA’s risk-based audit coverage during the year.

- Risk A – Income targets not achieved, especially HE, Apps and Adult FE;
- Risk B – Failure to control salary budget, whilst preserving ability to function as a College;
- Risk C – Failure to control non-pay costs;
- Risk E – Insufficient progress on improvements required to achieve OfSTED ‘Good’;
- Risk F – Failure to improve the quality of teaching and learning consistently across the College;
- Risk G – Student recruit and retention targets not met, especially 16-18 and Adult FE, Apprenticeships and HE
- Risk H – Failure to achieve improved success rates, particularly Maths, English, underperforming SSAs timely success in Apprenticeships;
- Risk M – Failure to provide and maintain appropriate facilities and resources to protect and enhance the student experience;
- Risk O – Impact of GDPR and compliance therewith;

Regularity Audit

Mazars anticipated an unqualified opinion, without modification within the financial statements.

Risk Management

The Audit Committee has received regular updates on Risk Management during the year and has had an opportunity to comment on and influence the Risk Register. An improved graduated risk scoring mechanism was adopted and the Risk Management Policy was revised and approved by the Corporation.

Fraud, Bribery and Whistleblowing

The College has policies and procedures in place which relate to areas of fraud, bribery and Whistleblowing. The processes are, in the opinion of College management, suitably designed and appropriate to the College's needs. The relevant documents are available on the College's website.

During the year there has been one whistleblowing disclosure. The investigation found the claims were not substantiated.

Committee Self Assessment

On an annual basis the Audit Committee undertake a Self-Assessment of its performance. In 2018/19 this resulted in a number of actions to improve the effectiveness of the Committee:-
